

# SANDRO

## SUN22 COLLECTION

Expertly playing with volume alongside a pervasive feeling of lightness, the Sandro **SUN22** Spring/Summer collection showcases an array of styles perfect for relaxing under the sun this summer season. For both men and women, the latest sunglass capsule features clean and chic new colourways in must-have eyewear shapes.

## WOMEN'S RANGE

Sandro's **SUN22** collection for her features innovative and reimagined variations on classic eyewear shapes. Offering soft feminine styling as well as more angular trims, the collection corrals strong, modern silhouettes, fitting for the elegant yet eternally playful Sandro WOMAN.

**SD6026** is a slim yet chunky acetate cat-eye with a modern almond shape, an innovative Sandro twist on the classic cat-eye silhouette. The wide temples play with volume while contrasting with ultra-thin metal end tips. This style is available in an array of summer hues such as warm **Vintage Tortoiseshell**, **Milky Dark Pink** and an elegant and timeless **Black**.

For a laid-back, effortless aesthetic this summer see metal style **SD8011**, a refreshing take on the timeless teardrop shape. This style features a contoured V-shape metal rim paired with a single top bar for a contemporary spin on an otherwise go-to silhouette. The slim high-shine temples feature a metal sandwich construction for an added sense of lightness, completed by acetate temple tips bearing the Sandro logo on the interior. This style is available in **Shiny Cream Gold** with warm graduated lenses and yellow acetate end tips, for an elegant and chic summer-chic colour pop.

## MEN'S RANGE

The Sandro **SUN22** range for him offers an array of styles complementing the Sandro MAN's clean-lined and effortlessly confident aesthetic. Minimalist designs showcase light and modern constructions providing a cool, laid-back feel alongside vintage inspired styles in refined and polished finishes.

Contemporary men's style **SD7017** features a rimless lens paired with a flat metal brow line for a sleek and minimalist construction. The ultra-thin brow line seamlessly extends into the metal temples and signs off with tortoiseshell end tips. Adding a contemporary colour pop, the lenses of this style showcase vibrant hues from blue and forest green to chartreuse green. Available in **Brushed Pale Gold, Brushed Silver** and **Dark Gun Metal**, this style is perfect for the cool, nonchalant and effortlessly stylish Sandro MAN.

For those who prefer a more classic eyewear look, **SD5014** is an easy-to-wear frame with vintage elements such as a keyhole bridge for timeless fashion appeal. This chunky acetate model features wide-to-thin temples and a vintage-inspired bevelled metal signature trim, perfect for a premium heritage look. This style is available in a luxurious **Crystal** colourway, a **Black to Clear Crystal** graduated option embodying the lightness of summer days, as well as a traditional rich **Brown Horn** reflecting a more classic and timeless spirit.
